When this subdivision was originally platted this parcel of land # 320925-001 was set aside for a future right of way. To date (approximately 15 years later) it has not been used for that purpose. During which time the adjacent property owners have been maintaining this area. The adjacent property owners are asking for the county to abandon this property. Furthermore, the above agree that if this occurs the county would be authorized by said owners, as listed above, to come onto said property to maintain any drainage issues.
